Gourd to Glow

Discover the enchanting charm of Qeelin's Wulu 18-carat white-gold earrings, a dazzling blend of tradition and elegance. Inspired by the graceful curves of Chinese gourds that form the lucky number 8, the Wulu jewellery line radiates positive energy and good fortune. Suspended from a sparkling diamond-encrusted stud, the open Wulu charm is outlined in shimmering diamonds, capturing light and attention. Crafted from luxurious white gold and boasting a shower of brilliant stones, this pair of medium-sized earrings is an enduring, very wearable symbol of prosperity and style. Irresistibly radiant, it's a must-have for those who believe in the power of good luck and glamorous flair. qeelin.com

Polka Party

This Roger Vivier Pilgrim clutch is a dazzling little masterpiece! Hand-embellished with baguette crystals forming the iconic buckle, it radiates glamour and charm. Crafted from lustrous black satin adorned with velvet and lurex polka-dot motifs, the Italian-made handbag features a detachable chain shoulder strap for versatility. Perfect for carrying your essentials – cards, keys, lipstick – it adds a touch of sparkle to every occasion. With its magnetic closure and intricate craftsmanship, the Pilgrim embellished clutch transforms any outfit into a celebration of elegance. Elevate your style with this luminous accessory that is as timeless as it is playful. rogervivier.com

Elegance Atomised

Transform your environment into a sanctuary of pure tranquillity with Aroma Vera's Scent Diffuser Set. The elegant ISO-certified device utilises cutting-edge cold-air atomisation to elevate your wellness journey. The set comes with two bottles of diffusing oils to be inserted directly into a sleek, silver-coloured aluminium housing, thus eliminating the need for water. Effortlessly envelops spaces in an immersive, enduring luxury, it operates at a whisper-quiet level, while intelligent Bluetooth app control is on hand to customise scheduling and fragrance intensity with ease. It flawlessly unites high-tech innovation with premium design, blending seamlessly into any professional or relaxing setting. aromavera.com.hk

AROMA VERA

Celebrating 45 Years of Authentic Aromatherapy

The Art of Scent

Scents Marketing for Retail, Spa & Corporation · Sensory Wellness for Home

Founded by **Marcel Lavabre**, co-founder of the American Aromatherapy Association, Aroma Vera carries a 45-year French heritage of botanical purity and refined sensory craft. Since 1991, **Iris Ho** has built the brand into Asia-Pacific's trusted authority in scent-wellness — across luxury hospitality, retail and the home.

Scents Marketing for Retail

A signature scent creates an immediate, lasting impression. By carefully crafting a distinctive fragrance, brands reinforce their identity and evoke positive emotional connections, helping to elevate perceived value and foster brand loyalty. Aroma Vera designs custom fragrances for each brand and ensures consistent scent delivery across all stores. For over six years, we've designed, developed and managed fragrance solutions for luxury sports businesses in China and retail stores in Hong Kong.

Sensory Wellness at Home

The elegant Synergy Diffuser Set boasts a USB-powered tower diffuser with remote access. Designed for discerning consumers, this set includes five carefully curated essential oils - Zen, De-Stress, Breathe, Uplift, and Fresh. Its adjustable intensity and timer options can be effortlessly tailored through a dedicated mobile app, offering refined and intuitive customization for a truly sophisticated aromatherapy experience.

Forty-five years on, turning pure botanical craft into experience you can feel.
